

Fourth International Conference on Science and Technology of Advanced Ceramics

June 21 - 23, 2010, Mielparque-Yokohama, Yokohama, Japan

<http://www.nims.go.jp/denzai/STAC4/>

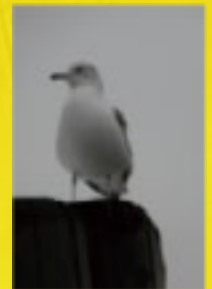

TOPICS

- Advanced Materials
Bioceramics, Structural Materials, Nano-structures, Superconductors, etc.
- Environmental Materials
Catalyst, Photovoltaics, Battery related materials
Sensor related materials, New energy harvesting materials etc.
- Electro-ceramics
Semiconductors, Dielectrics (Ferro- & Piezoelectrics) etc.
- Glass and Photonics Materials
Synthesis and characterization, Photonic crystals, Plasmonics, etc.
- Characterization, Analysis and Modeling
Theory, Simulation, Spectroscopy, SPM, Nano-indentation etc.
- Advanced Processes and Novel Chemistry
Crystal growth, Soft Processing, Machining, Self-organization etc.

CALL FOR PAPERS

- ABSTRACT Template , available at
<http://www.nims.go.jp/denzai/STAC4/abstruct.html>
- Abstract submission to
STAC-Abst@ml.nims.go.jp
- Deadline of submission
April 9, 2010
- Email Alert Subscription
(Updated information)

Conference Chair : AONO, Masakazu

Steering committee : ITO, Mitsuru; INOUE, Satoru;
HANEDA, Hajime; HARA, Michikazu , HOSONO, Hideo;
NISHIMURA, Toshiyuki; OHASHI, Naoki; OKADA, Kiyoshi;
SAKKA, Yoshio; TANAKA, Junzo; TSURUMI, Takaaki;
YE, Jinhua; WAKAI, Fumihiro

Local committee : ATOU, Toshiyuki; IKOMA, Toshiyuki;
KAMIYA, Toshio; MATSUMOTO, Yuji; NAGATA, Hajime;
OHGAKI, Takeshi; OMATA, Takahisa; OSADA, Minoru;
SEGAWA, Hiroyo; SHIMAMURA, Kiyoshi; TAKADA, Kazunori;
TATEYAMA, Yoshitaka; UCHIKOSHI, Tetsuro; YANO, Tetsuji

Cosponsor (tentative)

National Institute for Materials Science,
Materials and Structures Laboratory, Tokyo Institute of Technology,
Ceramics Division, Tokyo Insitute of Technology,
Frontier Research Center, Tokyo Institute of Technology,
Elements Science and Technology Project, (MEXT)

REGISTRATION

Registration Information:
will be announced at
<http://www.nims.go.jp/denzai/STAC4>
Registration fee:
40,000 JPY (20,000 JPY Student)
